

EARN COMMUNITY SERVICE HOURS:

12 pieces of “road” + 3 cars: 3 hours of volunteering

Cars can be previously loved (in good condition) or inexpensively purchased from the Crazy store/ Westpack or similar Please package your Cars and Road in a drawstring bag or clear plastic box.

How to make your Road and Car project

To make the ROAD:

You will need 12 pieces of wood of different lengths (some can be the same length)

You could use pieces of floor laminate/ get a pallet from a side of the road craftsman

Please SAND the wood if you are using a deconstructed pallet

Paint one side of the wood with black or grey paint

Once the black or grey paint is dry, paint the white road markings

EARN ADDITIONAL COMMUNITY SERVICE HOURS: Additional pieces including a parking space/ bridge or other creative additions to your project will earn you an additional hour of community service.

NEED IN PERSON HOURS? Join us as we deliver your road (and their monthly food) to a creche and meet the children your project benefits.
